

VULCAN TUNNELS - DATA SHEET

Suitability: Forcing, Early, Mid & Late

The Vulcan

- The new Vulcan range from Osprey is part of our progressive Greenhouse range
- For growers who want a megastrength, permanent, hassle-free structure
- Economic with a reasonable price per sqm against mainline greenhouses
- Comes in 50mm x 2mm strength & 60mm x 2mm as super class option.
- Takes high wind speeds, and heavy snow falls
- Incorporates the Dr. Suzuki prevention system, unique to Osprey
